

48 Sheet Posters

supplying guide for 48 sheet posters

Artwork too big?

The dimensions of a 48 sheet are so large that most design software struggles to create documents that size, therefore we ask that your artwork is supplied at a scalable size.

The size we recommend is:
1524mm x 737.5mm (quarter size)

With a 25mm safe area and 10mm bleed.

48 Sheet Poster Checklist

- ✓ Artwork is 300dpi
- ✓ CMYK Colour profile
- ✓ All fonts embedded
- ✓ Supplied at 100% scale or at a reduced size which scales up proportionately

Need more help?

We have a range of templates for you to choose from! You can find them at the bottom of each product page.
